

The gas-elec group needs you!

We desperately need Safety Inspection franchisees in the following areas:

- Birmingham
- Brighton (plus Electrical franchisees)
- Chester
- Edinburgh
- Exeter
- Glasgow
- Taunton
- Torquay
- Truro

The Safety Inspection Franchise

You need to have an engineering background (i.e. be a gas or electrical engineer, plumber, heating engineer, multi-skilled qualified engineer or similar). As a gas-elec safety inspection franchisee you could earn up to and over £60,000 a year.

Franchise Fee: £16,500

Plant & equipment: £3,750

Training fee: £4,600

Working capital: Varies depending upon individual circumstances

NB: The length of training depends on your skills and experience and can be from 3-14 weeks including 5 weeks on site training.

The Electrical Franchise

You must be a qualified electrician with 17th Edition and City & Guilds 2391/2. Part P has generated an enormous demand for qualified electricians and some of our electrical franchisees are amongst our highest earners.

Franchise fee: £16,500

Plant & equipment: £3,300

Training Fee: £950 (7 days)

Working capital: Varies depending upon individual circumstances
