

DIARY DATE

VISIT GAS-ELEC AT THE BRITISH & INTERNATIONAL FRANCHISE EXHIBITION

19-20 March 2010, London Olympia

Middlesex, 30 January 2010 – Visit *gas-elec* at Stand J60 at the British & International Franchise Exhibition taking place from 19 to 20 March 2010 at London Olympia to find out how you can become part of a franchise that pioneered the provision of combined safety inspection services in the United Kingdom.

Since its establishment in 1996 the business has grown rapidly into a national network of successful regional managers and local engineers who have one thing in common: they are all franchisees who have invested in the *gas-elec* business model, and work as a team with the unrivalled support of a highly-successful and experienced franchisor.

The *gas-elec* franchise is a two-tier franchise with regional management franchisees and safety inspection franchisees working together in partnership in their various areas. Ongoing business support for all franchisees includes sales and marketing, appointment making, centralised invoicing and credit control, bookkeeping and IT support.

gas-elec is a Full Member of the British Franchise Association and supports the Proud to Franchise initiative.

gas-*elec* is an ISO 9001 registered company, with Gas Safe Register and NICEIC accreditations. The company is registered with ELECSA as a competent firm under Part P of the building regulations, which was introduced in England & Wales in January 2005 to govern electrical safety in the home.

For more information call 0800 015 2030 or visit www.gas-elec.co.uk.

About the British & International Franchise Exhibition

Discover how to become your own boss at this year's British & International Franchise Exhibition, London Olympia (19-20 March 2010). A visit to the event will enable you to discover a range of franchised businesses each offering you the chance to transform your career and run your own business.

The British & International Franchise Exhibition is the only franchise exhibition in London to be supported by the British Franchise Association and only allows franchise companies that have met the Association's code of ethics to exhibit at the event. This means you can be confident in the franchise opportunities presented to you, as they are an ethical entity within the UK market.

Editor's Notes

Founded in 1996, **gas-elec** carries out impartial safety inspections and light remedial works. Its unique inspection service provides the residential lettings market and homebuyers and sellers with multiple inspections of the gas and electrics in one visit. **gas-elec** has recently launched a number of new energy-saving products and services. These include the g-save fuel economiser, which reduces fuel bills by up to 31% and a consumer comparison website (*gas-elec* Compare) that offers users the widest range of energy suppliers in order to compare their gas and electricity prices. **gas-elec** has over 130 franchisees operating from 18 regional offices, who this year will carry out more than 130,000 safety inspections in domestic properties throughout the UK. For more information visit www.gas-elec.co.uk.
