

DIARY DATE

VISIT GAS-ELEC AT THE PROPERTY PROFESSIONAL SHOW

**** Stand 56 ****

17-18 May 2010, THE ICC Birmingham

Middlesex, 23 March 2010 – Visit *gas-elec* at stand 56 at the Property Professional Show taking place from 17 to 18 May 2010 at the ICC Birmingham to find out more about the full range of services offered by the business: a leader in the field of gas and electrical safety, services, products and advice.

Since its establishment in 1996 the business has grown rapidly into a national network of successful regional managers and local engineers who have one thing in common: they are all franchisees who have invested in the *gas-elec* business model, and work as a team with the unrivalled support of a highly-successful and experienced franchisor.

The *gas-elec* franchise is a two-tier franchise with regional management franchisees and safety inspection franchisees working together in partnership in their various areas. Ongoing business support for all franchisees includes sales and marketing, appointment making, centralised invoicing and credit control, bookkeeping and IT support.

gas-elec is a Full Member of the British Franchise Association and supports the Proud to Franchise initiative.

gas-*elec* is an ISO 9001 registered company, with Gas Safe Register and NICEIC accreditations. The company is registered with ELECSA as a competent firm under Part P of the building regulations, which was introduced in England & Wales in January 2005 to govern electrical safety in the home.

For more information call 0800 015 2030 or visit www.gas-elec.co.uk.

About the Property Professional Show

The Property Professional Show 2010 is the largest event of its kind. Anticipating over 8,000 visitors across two packed days, this event is a must for all residential and commercial property agents, domestic and commercial energy assessors and all other property related professionals.

To find out more go to: <http://www.propertyproshow.co.uk/>

Editor's Notes

Founded in 1996, **gas-*elec*** carries out impartial safety inspections and light remedial works. Its unique inspection service provides the residential lettings market and homebuyers and sellers with multiple inspections of the gas and electrics in one visit. **gas-*elec*** has recently launched a number of new energy-saving products and services. These include the g-save fuel economiser, which reduces fuel bills by up to 31% and a consumer comparison website (*gas-*elec** Compare) that offers users the widest range of energy suppliers in order to compare their gas and electricity prices. **gas-*elec*** has over 130 franchisees operating from 18 regional offices, who this year will carry out more than 130,000 safety inspections in domestic properties throughout the UK. For more information visit www.gas-elec.co.uk.
